## Resource Description

#### Communication: M

resource focus on research or methods on how to communicate or frame issues on climate change; surveys of attitudes, knowledge, beliefs about climate change

A focus of content

#### Communication Audience: M

audience to whom the resource is directed

Health Professional

#### Exposure: M

weather or climate related pathway by which climate change affects health

**Unspecified Exposure** 

#### Geographic Feature: M

resource focuses on specific type of geography

None or Unspecified

#### Geographic Location:

resource focuses on specific location

Global or Unspecified

#### Health Impact: M

specification of health effect or disease related to climate change exposure

Infectious Disease, Mental Health/Stress, Other Health Impact

Infectious Disease: General Infectious Disease

Other Health Impact: Well-being

# **Climate Change and Human Health Literature Portal**

Mitigation/Adaptation: ☑

mitigation or adaptation strategy is a focus of resource

Adaptation

Resource Type: **№** 

format or standard characteristic of resource

Policy/Opinion

Timescale: M

time period studied

Time Scale Unspecified
